1 CONFERENCE INTRODUCTION

You are invited to present **International Conference on New Advances in Construction Machinery and Vehicle Engineering (ICACMVE 2023)** which will be held during **October 13-16, 2023** in **Shanghai, China**. It's sponsored by China Construction Machinery Society and supported by Tongji University, China.

The conference will focus on academic discussions on modern design methods, advanced manufacturing technology, transmission and drive control, civil engineering method integration, new energy, intellectualization and cloud application in the field of construction machinery and vehicle engineering technology. Also it will conduct in-depth and extensive exchanges on relevant theories and methods in view of the development trend, research hotspots and difficulties in this field. The International Conference on New Advances in Construction Machinery and Vehicle Engineering is sponsored by the Chinese Society of Construction Machinery and is held once every two years. This year, the conference is hosted by Tongji University, and it includes plenary academician reports, invited special reports and oral report exchange of papers. Abstracts and full papers in the field of engineering machinery and vehicle engineering are now solicited from the scholars.

We warmly invite you to attending the conference.

2 ORGANIZERS

Host: China Construction Machinery Society

Organizer: Tongji University, China

Co-organizer: Sino-German Joint Research Center (Tongji University), Engineering Research Center of Major Engineering Construction Technology and Equipment, Ministry of Education

3 CONFERENCE COMMITTEE

Honorary Chairman

Prof. Shi Laide, Tongji University, China

General Chairman

Prof. Bian Yongming, Tongji University, China

Co-Chairman

Prof. Zhao Dingxuan, Yanshan University, China

Prof. Marcus Geimer, Karlsruhe Institute of Technology, Germany

*The committees are updated continuously, please check the conference website for details.

4 CONFERENCE INFO

Conference date: October 13-16, 2023

Conference Venue: Shanghai, China

Participants: Researchers, engineers, scholars, experts and entrepreneurs in the field of construction machinery and vehicle engineering

Conference Brief Schedule:

Day 1, Oct. 13, 2023 (Friday)	
10:00-18:00	Registration
18:00-20:00	Welcome Dinner
Day 2, Oct. 14, 2023 (Saturday)	
08:30-12:00	Opening Ceremony & Leaders' Speeches & Keynote Speeches
12:00-14:00	Lunch & Break
14:30-18:00	Session Report (Session 1-4)
18:00-20:00	Dinner & Award Ceremony
Day 3, Oct. 15, 2023 (Sunday)	
08:30-12:00	Keynote Speeches
13:30-18:00	Session Report (Session 5-8)
18:00-21:00	Dinner & 30th anniversary celebration
Day 4, Oct. 16, 2023 (Monday)	
09:00-18:00	Academic tour

5 CALL FOR PAPERS

Conference Theme:

Intelligent Empowerment and Green Innovation in Construction Machinery and Vehicle Engineering

The topics of interest for submission include:

Modern design methods,
advanced manufacturing technology,
transmission and drive control,
civil engineering method integration,
new energy,
intellectualization,

cloud applications, etc.

Please submit via our Online Submission System:

<https://www.ais.cn/attendees/index/7JN2QI>

6 PAPER PUBLICATION

The peer-reviewed and accepted conference papers will be included in the ICACMVE 2023 Conference Proceedings, which will be published by Springer or SPIE and sent to EI and Scopus for indexing. Outstanding conference papers after content expansion can be recommended to the MDPI journal Energies (SCIE and EI indexed, JCR Q2, 2023 impact factor: 3.2). After peer-review and acceptance, these papers will be published in a special issue, and the OA fee will be discounted depending on the quality of the paper (minimum 10% discount).

* Papers must be original and unpublished, and must not be submitted for publication elsewhere concurrently.

Note:

1. The acceptance of the abstract will be returned in the form of review comments. After receiving the acceptance comments, please login to the submission system by August 20 and upload the full text under the original paper number. If you are an author who only does poster presentations without publishing papers, you only need to submit an abstract.

2. The paper must be in English and should be of academic or practical value and not have been published in academic journals or conferences at home or abroad. Authors of published papers are required to submit the full text for peer review.

3. The authors can check the duplicate rate at their own expense through CrossCheck, Turnitin or other query systems, otherwise the authors will be responsible for any rejection caused by the duplicate rate of the article. Papers suspected of plagiarism will not be published and will be posted on the conference homepage.

4. The paper must not be less than 4 pages, and the over page fee (from the seventh page: 300RMB/page) (Please download the paper template from the

submission website [Conference Materials])

5. For accepted papers with completed registration, a 30% handling fee will be deducted if you want to apply for withdrawal; once the paper is uploaded to the publisher, no refund or withdrawal application will be accepted.

7 IMPORTANT DATE

~~Abstract submission Deadline: July 15, 2023~~

~~Notification of Abstract Acceptance: July 20, 2023~~

Full paper submission time: July 20, 2023

Full paper submission deadline: August 20, 2023

Notification of Paper Acceptance: September 05, 2023

8 REGISTRATION FEE
